VILLAGES RESIDENTS ASSOCIATION
PO BOX 135
WEMBLEY WA 6913

Dear Mr Chamberlain

I refer to our letter dated 12 July 2023 regarding the Household Electricity Credit announced by the State Government on 11 May 2023.

Applications for the Household Electricity Credit for households who were incurring electricity costs at 9 May 2023 and billed for their electricity use by third party providers, such as those in certain retirement villages, will close on 30 November 2023.

I am seeking your assistance again as the peak industry body for retirement village residents in Western Australia to share the attached information with your members to notify eligible households to apply for the credit before applications close.

Please contact me on 9262 1480 if you have any queries in relation to this information.
